DESIGN INSPIRATION

Originally designed for carpet and introduced by Stark Carpet in 1970, Antelope has come a long way! Instantly adored, the Antelope design was adapted into a coordinating fabric and introduced into the Old World Weavers line in 2013. Perfecting its construction, Antelope is made in Belgium and has a lush, all velvet pile. Offered in natural colorways as well as a refreshed and bold assortment of colors, the design beautifully mimics the organic markings of an Antelope and will forever be an industry favorite!
