## DESIGN INSPIRATION

Fireworks, a well-loved pattern from Hinson, is available in printed fabric, wallcovering, luxurious pillows, and now, beautiful, handcrafted lampshades in drum and pleated styles. This energetic, all-over pattern features graphic bursts of color. Each soft-back drum shade is handcrafted by stretching and sewing the material over a wire frame. The shades are self-trimmed with the matching print, and fully fabric lined. Soft-back lampshades offer a more diffused light than hard-back shades and have a flexible surface that will not dent. Each shade comes with a standard washer top in nickel finish and is handmade in the USA.
