DESIGN INSPIRATION

Based on Tigre, the long-standing Scalamandré classic, Tigre - Viscose was introduced in 2013 as an alternative to the silk variation. Featuring the same tiger skin pattern, two spines within a woven ombré of color, Tigre - Viscose is offered in a natural colorway as well as five bold, fashionable hues. This luxurious velvet makes for great statement seating or as accent pillows in both traditional and modern interiors. Woven in the USA.
