DESIGN INSPIRATION

Leaping Cheetah is a signature pattern featuring cheetahs frolicking against a backdrop of saturated color. This made-to-order, wide-width wallcovering is digitally printed on a non-woven substrate for easy installation and cleaning. Leaping Cheetah offers graphic appeal in both residential and commercial spaces, from a children's room to a townhouse foyer to a contemporary restaurant. This memorable design comes in bold, fashion-inspired colorways and is also offered in a coordinating fabric.
